

The Whitwell & Reepham Railway Preservation Society Limited

Dear

Following on from our success last year with our steam rally, we would like to invite you to join us for this years Whitwell and Reepham Railway's Steam Rally, which is to be held on the 6th and 7th August 2016

Over Fifty years ago Whitwell station was shut down. Now a group of enthusiasts have been working tirelessly to bring this station and goods yard back to life. A steam train now runs regularly taking passengers for rides, have a look at www.whitwellstation.com for more information

As well as steam, other vintage and classic vehicles have been invited. At the same time Whitwell will be holding one of its popular Beer festivals and there will be many other attractions, we are also hoping to have some form of evening entertainment on the Saturday night.

You will be welcome to camp on site and Reepham town is only 1 mile up the road with all local amenities. Coal will be provided during the event and it is hoped that a contribution towards travelling costs will be made for full size traction engines

You can telephone for more information at the station 01603 871694 or Paul Blanch 01603 861555

I look forward seeing you over the weekend

Paul Blanch
